20 KICK-OFF MEETING 25 APTITUDE

October 22 - 23
Paris, France

Dear APTITUDE partners,

French Ministry of Interior and France Titres is pleased to invite you to join the launch of APTITUDE, the **new European Large-Scale Pilot on digital identity for citizens.**

Bringing together 12 countries and over 115 public and private partners, this event will set the stage for two years of collaboration to design, test, and deploy European Digital Identity Wallets.

OBJECTIVES

Share the **vision** and **objectives** of APTITUDE project and present the consortium and the **role of Member States** and **partners**.

Launch the **four pilot use cases**: Digital Travel Credentials, Ticketing & Check-in, Mobile Vehicle Registration Certificate, and Payments & Banking.

Highlight the importance of **interoperability**, **compliance**, and **European values** in the future of digital identity.

Foster **formal and informal discussions around key topics** with relevant actors.

May you have any questions, please reach out to:
